WESTWOOD PARK MENS CLUB

Men take this opportunity to learn the game and join your friends and family at Westwood Park Golf Course.

Back by popular demand is our Men's beginning golf club. We are offering a four week clinic at a great value to get you started and introduce you to the game. The Men's Clinic will be taught by Rick Parish, PGA; Bobby Florer, Golf Professional; Jerry Halsey, Teaching Professional; Robert O. Smith, PGA, and Richard Buchanan, PGA. These classes will be held on Tuesdays from 6:00 pm to 7:30 pm in a small group environment beginning May 6th and ending on Tuesday, May 27th, 2014.

The classes will introduce the clubhouse policies and procedures and teach the fundamental guidelines, course rules and etiquette. We will teach putting, chipping and the full swing mechanics along with the introduction to the golf course. Whether you are a beginning player or haven't played in a while, this clinic will help you. If you do not have clubs, we will provide them.

Call the Westwood Pro Shop at 292-9700 to register for the clinic (Limited to 25 participants). The cost for the clinic is \$80.00 or \$20.00 per class. If you pay for the entire clinic, the first night you will receive a \$10 discount and only pay \$70.00 for the entire clinic, which is a great value for professional teachers.
